This support will come in the form of:

- making teachers aware of opportunities that match with their curriculum
- facilitating community partnerships as appropriate.
- helping with logistics
- participating in and leading staff meetings/PD

**Telling the story of Edmonton Christian School, in God's bigger story.**

This work will be part of a larger strategic plan around engaging parents and alumni, identity, branding and communication. In conjunction with said plan this will involve:

- documenting in a variety of forms (writing, artifacts, photographs, videos, recordings, interviews) stories that are evidence of God's story being lived at Edmonton Christian.
  - formational learning activity stories
  - individual student's stories and reflections
  - staff members stories and reflections
  - alumni stories and reflections
- sharing the above stories both within and outside of the organization through presentations, social media, blogging etc.
