

EDMONTON CHRISTIAN SCHOOLS

Our Vision

Accepting Christ's Invitation to Live for Renewal

Our Mission

Responding to God's grace, ECS challenges students through Christ-centred Education to actively play their role in God's story.

What We Want For Our Students

Know What You're Good For

Every student has inherent value and a unique calling. We pursue all knowledge and Godly wisdom, knowing that our students will leave our school with the skills and strength of character to be the people God intended them to be.

You've Got A Friend – Find Community

Look to your left. Now look to your right. These are your friends. We are creating a community where the relationships you build are as important as the books you open.

Faith In The Real World

Connect what you learn to your Christian faith. Follow Christ into the real world.

Washed Clean Means Getting Dirty

We are Christ's hands and feet on earth. That means pulling out the work gloves when required. Push past your comfort zone.

Who does God call us to be?

Teachers use *Through-Lines* to connect each unit's learning outcomes to God's story. This process shifts the learning focus away from *what* the student needs to know to *who* the student is called to be. God calls us to be ...

Edmonton Christian Schools provides an education that is shaped by a faith rooted in Scripture. Scripture, the divinely inspired and authoritative word of God, provides insight for every dimension of life. Christian education at ECS, therefore, tells us how to understand ourselves in relationship to God, to others, and to the natural world.
