Frequently Asked Questions

What is EPP?

EPP stands for Exclusive Partner Program. It is a program created for your organization that allows TELUS to offer discounted smartphones and rate plans.

Where can I take advantage of this offer?

Any active member of CCA can visit the website below to take advantage of our EPP offer. You'll be able view the latest promotions and place your order online.

Is the program available to existing TELUS customers?

Yes. Existing TELUS customers can take advantage of this offer, however there are certain conditions that need to be met. Please visit your EPP Webstore or contact us to learn more about the options that are available to you as an existing customer.

How much can I save?

Our discounts vary depending on the type of device and plan you need. Our discounts are both based on smartphone/hardware credits and monthly percentage discounts on rate plans. Together, we are able to offer the best value through our EPP. Please visit your EPP webstore below to view the latest device offerings and promotions we currently have.

How many discounted accounts can I open?

Each member can have one EPP account. Members can add up to nine additional lines on their account by adding their family or loved ones. Members can also add connected devices including tablets or smarwatches.

I'm with another carrier for my smartphone, can I keep my phone number when coming to TELUS?

Yes. You can port your number over from a different service provider and become a new TELUS EPP customer.

What kind of plans do you offer on EPP?

We offer two types of monthly rate plans, Peace of Mind and Simple Share. Peace of Mind plans offer endless data with no-coverage charges. Simple Share plans offer the ability to share data with multiple users on your account. Please visit your EPP webstore below to learn more about these plans and the best option for you.

I need more help, where can I go?
