

**Edmonton Christian West School  
Junior High Student Supply List 2021-2022**

**Provided**

All students will need their **Bible** (issued in Grade 3 and to all new students in Grades 4 – 9, covered by program fees)  
We prefer all students to have the same edition.

**Clothing**

- **inside/outside shoes** (clean & dry may be worn in halls & classroom at various times of the year, depending on weather; these are NOT the gym shoes)
- **gym shoes** (well-fitting **non-marking** shoes that are worn **exclusively** in the gym and indoors)
- **gym clothing** (shorts [not cut-offs or spandex] and t-shirt, track suit, or sweats [no buttons, zippers, tight-fitting, etc.]

**Computers**

- Suggested: **Chromebook or Laptop computer**. As our school computers become more dated we have been moving to a technology model which encourages personal devices. Having a personal netbook/laptop to use in class will ensure each student has efficient and consistent access to the online/word processing resources needed for their classes.

- **durable tool case** (preferably contained in a case that is not easily broken, yet easy to transport)
- **variety of writing materials** (with replacements over the year)

  - **markers** (fine tipped black, not large poster)

- **earbuds or headphones**
- **whiteboard**

**Paper supplies**

- **binder(s)** to hold all handouts and essential supplies; may need replacement at end of term  
All students are required to organize and keep their handouts for all subjects.  
A single large binder *may* work well for *some* students but other workable methods are also acceptable.  
This binder often needs to be replaced at midterm.

- **loose-leaf paper** (500 pages)
- **dividers** (8 dividers)
- **hole punch reinforcements**

Students will check out their textbooks from the library, and will need to pay replacement costs if lost or damaged.

**Program Enhancement Fees**

Fees will be collected when option courses and TED (throughline exploratory days) activities are chosen by the students.

\*Students are expected to have regular access to a computer from home or the Edmonton Public Library for SchoolZone and also have a printer to print permission forms etc.
