Description

Fee Amount 2022/2023

These fees are posted in accordance with Sections 6 & 7 of the Alberta School Fee Regulation (95/2019). The list below includes every school fee that may be charged for every grade at this school. It is important to note that you would not have to pay for every item, and some fees may be lower than projected. At the commencement of classes, your school will confirm your fees with you and explain what they are for.

Where fees cover consumable supplies, families have the option of bringing their own supplies of similar quality and specifications in lieu of that portion of the fees. For an itemized list of supplies, please contact the teacher for a list of materials, supplies, and their specifications required for the course.

This list excludes transportation fees and costs associated with discretionary purchases, such as spirit wear, optional study guides, school pictures, yearbooks, food and fundraising. Goods and Services Taxes (GST) may also apply to some fees.
