68	Kinder Art - ECNS	262	<p>Title: Garden of Friends Artists: Edmonton Christian Northeast School 2022-2023 Kindergarten Students About this piece: The Kindergarten classes have been learning how to love one another as God has loved us. This is a collaborative piece in which every Kindergarten student is represented with a self-portrait made of clay affixed to a painted canvas painted collaboratively by every student in Kindergarten. "I have told you these things so that you will be filled with my joy. Yes, your joy will overflow! This is my commandment: Love each other in the same way I have loved you." - John 15:11-12</p>	ECNS Kindergarten		\$200.00
69	Kinder Art - ECWS	333	<p>Title: Be Transformed Artists: Edmonton Christian West School 2022-23 Kindergarten Students Mediums: acrylic paint, paper and faux flowers on canvas About This Piece: Contemplating the 2022-23 school theme, Be Transformed, this piece reflects the daily learnings the kindergarten students have engaged with throughout the year. They have learned about the glory and wonder of God and His creation, as well as their place and the place of all living creatures in the world. For this collaborative piece, each kindergarten student created their own butterfly, which were then placed on the painted canvas. The butterflies are affixed to represent them emerging from their cocoons and from the earth and its flowers, having been transformed. They flutter onward into God's wondrous creation. And we all, who with unveiled faces contemplate the Lord's glory, are being transformed into his image with ever-increasing glory, which comes from the Lord, who is the Spirit. 2 Corinthians 3:18</p>	ECWS Kindergarten		\$200.00
