## SCHOOL FEE REVENUE SCHEDULE

for the Year Ending August 31, 2024

### Description

### Fee Amount 2023/2024

These fees are posted in accordance with Sections 6 & 7 of the Education Act School Fees Regulation (Alberta Regulation 95/2019). The list below includes every school fee that may be charged for every grade. It is important to note that you would only have to pay for items applicable to your child and that some fees may be lower than projected. At the commencement of classes, we will confirm your fees with you and explain what they are for.

Where fees cover consumable supplies, families have the option of bringing their own supplies of similar quality and specifications in lieu of paying that portion of the fees. If you wish to bring your own supplies and materials, please contact the teacher for a list.

This list excludes costs associated with discretionary purchases, such as spirit wear, optional study guides, school pictures, yearbooks, food and fundraising. Goods and Services Taxes (GST) may also apply to some fees. The cost of bus passes (if applicable) is available on the [Edmonton Public Schools website](#).
